Geneva, 17 November 1980

*Josh,*

The meeting I was to have attended in New York for WHO during the week of 24 November has been cancelled, so I have had to cancel my trip. I'll of course be in touch with you when I come again to the states.

*A disappointment. I'll have  
Lamberto write to you about Senegal.*  
*Yours,*  
*[Signature]*  
*(Kaplan)*
